# about us

Our primary objective is to bring the core essence of your project to life through cutting-edge design and development. We specialize in crafting high-level solutions that not only meet but exceed your expectations, ensuring that your vision becomes a compelling reality.

We excel in crafting custom applications tailored to meet your distinct requirements. Our expertise lies in developing solutions that align seamlessly with your unique needs, ensuring unparalleled functionality and a perfect fit for your business.

# our services

For ambitious plans, a tailored approach is essential. That's why we concentrate on three complementary fields of expertise.

- Innovative Digital Solutions
- Custom Web Creations
- Personalized App Solutions

### Custom Web Creations

Our custom application development solutions accelerate workflows, boost revenues, and optimize business operations from concept-to-code and development-to-deployment.

### Innovative Digital Solutions

A holistic set of consulting services for both new and ongoing software development projects – from ideation and feasibility study to implementation strategy.

### Personalized App Solutions

Leverage the latest UI/UX technologies, architectures, and trends to design responsive & scalable apps that transform customer experiences across multiple channels.

# what our clients are saying

**They are smart and goal-oriented professional developers who never stop finding a better way to optimize job productivity.**

“I have been working with Duonout team for about few years. I did really enjoy the time brainstorming and sharing ideas with the team. Besides, they have an expert PM who is quite open-sharing that makes others feel comfortable to chat with. For those reasons, I believe Duonout is a worthy asset to any organization.”

UCAPAN SELAMAT DATANG  
DIASPORA SEMINAR  
28 Maret 2021

**SAID ZAIDANSYAH**  
Presiden IDN Global 2019-2021

Pada saat ini tercatat ada lebih dari 8 juta orang Indonesia yang tinggal dan menetap di luar negeri atau bisa kita kenal dengan Diaspora Indonesia. Mereka terdiri dari berbagai suku bangsa serta latar belakang profesi mulai dari kalangan profesional, pengusaha, akademisi, pekeria migran maupun mahasiswa.

Kendati berdomisili di berbagai tempat di pelcock bumi, para Diaspora Indonesia ini pada umumnya terus menunjukkan cinta dan baktinya terhadap tanah air. Salah satunya dengan senantiasa memperlebarkan keindahan alam dan budaya Indonesia sebagai langkah soft diplomacy di negara mereka tinggal, serta turut berkontribusi dengan cara masing-masing terhadap pembangunan di Indonesia.

Diaspora Indonesia juga turut aktif dalam berbagai kegiatan yang diselenggarakan pemerintah Republik Indonesia baik yang berada di pusat maupun melalui perwakilan RI yakni KBRI dan Konsulat Jenderal. Di antaranya dengan berpartisipasi dalam sejumlah kegiatan sosial budaya yang diselenggarakan KBRI dan Konsulat Jenderal yang berorientasi dalam membangun hubungan baik antara Diaspora Indonesia dengan masyarakat Indonesia.

Perhatian dalam program yang diselenggarakan pemerintah pusat seperti pemetaan diaspora bertalenta, sosialisasi Diaspora Bond serta pendaftaran dalam Kartu Masyarakat Indonesia Luar Negeri.

Kami juga menyambut gembira komitmen Pemerintah untuk mengikutsertakan diaspora sebagai bagian integral upaya pengembangan SDM bertalenta Indonesia yang dapat memberikan kontribusi besar bagi percepatan pembangunan Indonesia dan membawa negara ini bersaing secara global.

Sebagai organisasi independen dan non profit yang berfokus pada penguatan jaringan antar di antara diaspora Indonesia dengan pemerintah, Indonesian Diaspora Network (IDN) Global sangat menghargai dan mensosialisasikan program pemerintah terkait diaspora Indonesia yang dimiliki untuk kemajuan Indonesia. Sehingga proses sinergi bisa tercapai dan dengan demikian Diaspora Indonesia.

Salam Diaspora!
